**Celebrate Memorial Day by creating these festive lanterns to decorate your house! They are easy to do at home and all you need is some construction paper!**

- **Join our virtual book club! We will be listening to a selected audio book each week!**
- **Our music therapist, Amanda, will be creating new videos for us to watch each week!**
- **Explore different exhibits at Grand Rapids Public Museum through a series of fun activities provided in a workbook!**
- **Paint your own suncatcher to hang outside or near a window! Supplies will be provided in this week’s care package.**
- **Decorate your own sun visor to wear while you’re outside! Supplies will be provided in this week’s care package.**
- **Create your own wind chime to hang outside this summer! Supplies will be provided in this week’s care package.**

Don’t forget to check out Facebook page on Monday, Wednesday, and Friday mornings for the latest weather forecast updates from the Chase Storm Center! Chase is one of our Social Recreation participants who also creates videos to teach us about the weather!
